

WIGHTBOWMEN

HANDICAPS AND CLASSIFICATIONS

To get a handicap, an archer must shoot three full rounds both indoors and outdoors.

To gain classification awards, an archer must shoot three rounds to the standard or better, set out in the GNAS Rules. The classifications for outdoors are 1st, 2nd, 3rd class, Bowman, Master Bowman and Grand Master Bowman. Indoors they are A – H.

The outdoor handicaps are assessed on the 1st January of each year and are reassessed on the 31st December of that year.

Indoor handicaps run from 1st July until 31st June of the following year..
